City of Milwaukee Health Department offering free clinics on Saturday for measles immunizations

Immunizations offered to both children and adults

The City of Milwaukee Health Department (MHD) will open two of its health center locations on Saturday, April 19 for a special measles immunization clinic. South Side Health Center, located at 1639 S. 23rd Street, and Northwest Health Center, located at 7630 W. Road, will be open from 10:00 am until 2:00 pm. In addition, the MHD mobile immunization van will be stationed at North Division High School, 1011 W. Center Street to offer immunizations. Immunizations are free of charge and available for both children and adults. Individuals and families that are uninsured or under-insured are eligible to receive shots. If possible, individuals should bring their immunization records with them.

WHAT: **Special Saturday Measles Clinics: Press Briefing**
